

Environmental Policy

CHICAGO WHITE METAL CASTING, INC., is committed to the protection and preservation of the environment in the production and distribution of its products. It is our intent to be recognized by our customers, employees, temporary workers, and community as a responsible business committed to continual improvement in environmental management systems and pollution prevention throughout the business activities.

To that end CWM shall:

- Establish environmental Objectives and Targets that consider environmental aspects as an integral part of our business decision making process.
- Comply with all applicable laws, regulations, permits, company policies and other requirements to which we subscribe.
- Develop and enhance employee knowledge and understanding of environmental issues related to job functions.
- Promote conservation of resources by reusing, recycling and by adopting processes which conserve the use of raw material, energy and water.
- Strive to reduce the generation of waste from existing and future operations.
- Communicate this environmental policy annually to all employees, affected contractors, agents, temporary staff, and make it available to the public.
- Make the implementation of this policy a primary management objective and the responsibility of all employees.
- Engage the Senior Management Team once per quarter to discuss;
 - EMS audits and evaluation of compliance with legal requirements and with other requirements to which CWM subscribes,
 - Communications from external interested parties, including complaints,
 - Review environmental performance for the organization,
 - Review environmental objectives and targets,
 - Status of corrective and preventive actions,
 - Follow up actions from previous management reviews,
 - Changing circumstances, including developments in legal and other requirements related to its environmental aspects,
 - Recommendations for improvements.
